

Offered exclusively through Elliott Oaks Remodeling

Update your bathroom without the time or expense of a major remodel

While we pride ourselves in custom bathrooms and kitchens, we also understand that sometimes the budget is most important. That is why we now offer an affordable bathroom remodel.

We have designed a package to bring you a great new bathroom with our expert installation and brand name products.

We have done the work to “streamline” the process to save you time and money, without skimping on the products, materials or services.

You can start enjoying your new bathroom within 2 weeks!
